

Unit 2: Theme B – Contrasts in World Development

The Development Gap

- Describe differences in development
- Social and economic indicators
- Quality of life and HDI
- Factors preventing development (historical, environmental, trade, debt and politics)

Factors contributing to unequal development

- Globalisation
- Trade

Sustainable solutions

- Sustainable development
- Appropriate technology
- Fair Trade
- Aid - both benefits and problems

CASE STUDIES

A Strategy to reduce the development gap	
How Globalisation affects one country	
A sustainable development project that uses appropriate technology
