WELCOME TO CAMPBELL COLLEGE JUNIOR SCHOOL

The newly built School offers state-of-the-art learning facilities for boys aged 4-11, Preps 1-7; and to both boys and girls in Kindergarten.

We deliver:

- A state-of-the art learning environment
- A full programme of Pastoral Care
- All facilities on site
- A competitive House system
- Excellent staff to pupil ratio
- French for Preps 5-7
- Excellent coaching in Sport and Games
- Specialist teaching of Art and Music
- A Healthy Eating Policy
- 'Wrap Around Care' with Early Morning Club from 8.15am and After School Club to 6.00pm each day
- A Total Curriculum
- A well-stocked School Library
- Interactive whiteboards in all classrooms

Our aim is to promote academic, sporting and cultural excellence. Our pupils are nurtured within a warm atmosphere and we present a welcoming family school with the emphasis on a total curriculum.

Dedicated members of staff care for our pupils and we are committed to fostering the individual talents of every pupil. We have early-morning and after-school care, plus a very full extra-curricular programme ensuring that each pupil will have the opportunity to sample a variety of activities on offer.

We intend that our pupils will leave Junior School having experienced an excellent primary education and with a set of values that will prepare them for their middle and senior school years, and for the life beyond.

Hazel Rowan
Head of Junior School

Kindergarten

KINDERGARTEN CATERS FOR BOTH BOYS AND GIRLS IN THEIR PRE-SCHOOL YEAR. UNDER THE LEADERSHIP OF MRS ELLEN BOYD, AND HER ASSISTANTS MRS SANDRA WILGAR AND MRS HILARY REID, THE CHILDREN ENJOY A VARIED AND STRUCTURED INTRODUCTION TO SCHOOL LIFE WITH THE EMPHASIS ON LEARNING THROUGH PLAY.

There are a number of activities that will help your child prepare for the move to Kindergarten:

- Read to your child and show your son or daughter how enjoyable it can be
- Talk and listen to your child, for example, discuss places that you have visited
- Encourage your son or daughter to taste different foods and occasionally to eat meals as part of a large family group
- Encourage your child to put on a coat, practice doing up buttons, putting on shoes and using a knife and fork.

Hours of Attendance:

August-June	8.45am - 2.00pm (Including lunch)
	8.45am - 12noon (Optional)

Parents' quotes from the 2007 Independent Inspection Report:

"Campbell College Kindergarten has everything any parent or guardian could wish for. The teachers are the most approachable and caring staff and my son had truly loved his year in it as it has prepared him very well for P1"

"I am delighted with the standard of care and of experience my son has been provided with this year - excellent!"

"I have been extremely pleased with Campbell College Kindergarten, my daughter has been taught so much and her manners, patience, concentration and interaction have all improved. Well done to Mrs Boyd and all her staff"

PREP 1 - 4

Small class sizes mean that each boy is given plenty of attention and is encouraged to reach his full potential.

Specialist teachers from the College teach Art, Music, PE and Games. Drama plays a large part in Key Stage One curriculum, with boys participating regularly in Assembly and in many school productions.

Key Stage One assessment results in 2007 were outstanding. The percentage of boys who achieved Levels Three in Maths and English was twice the Northern Ireland average.

All boys in Prep 1 - 4 will be set short tasks for homework.

Hours of attendance:

Prep 1

August - September 8.40am - 1.00pm
(after lunch)

October - June 8.40am - 2.00pm

Prep 2-3

August - June 8.40am - 2.30pm

Prep 4

August - June 8.40am - 3.00pm

At Key Stage Two, Preps 5-7, the curriculum becomes much more exacting. Alongside the demands of fractions and percentages, the boys take part in a varied programme of learning and activity.

French is taught throughout Key Stage Two; initially, in the form of songs and games then progressing to role-plays and simple conversations by Prep 7.

ICT is incorporated into all subjects, where appropriate, and boys can make use of our new ICT suite. Technology and Design is also a popular Prep 7 subject.

Specialist teachers from the College instruct Games, PE, Art, Music and French. Drama is also timetabled each week and boys are given the opportunity to perform in adventurous productions.

A full programme of prep is set for boys in Prep 5-7 and parents receive details of this early in the Christmas Term. Parents are asked to check their son's Prep Diary every Thursday and sign it in preparation for staff checking on Friday.

Progress cards are issued at the end of each half term. Effort grades, for which House points are awarded with an explanation of grades, are recorded on all Progress Cards.

In the 2007 Key Stage Two Assessment, the percentage of boys who achieved Level Five in Maths was twice the Northern Ireland average and a magnificent three times the Northern Ireland average in English.

Hours of attendance: 8.40am - 3.00pm

SCHOOL LIFE

Facilities

Campbell College Junior School is a purpose built school set within the 100-acre Campbell College estate. The recently built Junior School has been described as a “quantum leap forward” in design and it is at the leading edge of environmentally friendly accommodation. The School features state-of-the-art ventilation, insulation, heating and acoustic systems; the new school stands as a monument to energy efficiency.

All classrooms have interactive whiteboards and they markedly enhance the teaching and learning experience.

Junior School pupils have access to all of the College facilities, which include the College Dining Hall, a swimming pool, two all weather surfaces, two sports halls, tennis courts, squash courts, cricket squares and a number of rugby pitches. In addition, Junior School has its own ICT suite, library, and assembly area and generous play areas: including a secure soft-ground area for Kindergarten to play safely.
