

CAMPBELL COLLEGE, BELFAST

TOTAL CURRICULUM
SEPTEMBER - DECEMBER 2008

Academic

First Class Honours

Congratulations to former students Kenton Menown (De Montfort University Leicester) and Richard Gibson (UCD) who have both graduated with First Class Honours Degrees in Fine Art.

2 CCB Students are the top in the country

Michael Noble, Year 14 Chase's, and Andrew Haire, Year 14 Allison's, are amongst the top ten students according to Edexcel, the UK's largest examination awarding body.

Michael and Andrew both sat their GCE (AS) Art and Design exam earlier this summer at the College and the results issued last month, show that out of 6290 candidates Michael and Andrew, individually, achieved one of the highest overall marks.

Top GCSE Student

College congratulations to Joshua Baird, Year 13 Allison's, who came in 3rd place in the CCEA Applied ICT GCSE this summer. CCEA will record this achievement appropriately with a certificate.

Top achieving GCSE candidates

Congratulations to Aaron Leung, Year 13 School House, and Elliott McLaughlin, Year 13 Dobbin's, who both achieved maximum marks in their GCSE Art and Design examination in June.

Presentation to College Librarians

Miss Victoria Smyth, College Librarian, organised a postal book fair in the library 12th-20th November encouraged classes to purchase books from a wide range of genre. The final total made for Scholastic was £766.28 and they, in turn, awarded the College £421 commission to invest in new titles for the library.

Miss Smyth is grateful to all school librarians who assisted with this fair. A number of pupils gave distinguished service and they received a book as a mark of appreciation:

Year 8:

Gary Worley	Price's
Eddie Agbodo	Allison's
John Morrow	Yates's
Jacob Newell	Price's
Chris Orr	Davis's
Adam Walmsley	Allison's
Edward Whitlock	Davis's

Year 9:

Patrick Kelly Price's

Year 10:

Aaron Armstrong School
Eugene Leung School
Thomas Thompson Chase's

Enrichment

The Food Standard's Agency have invited the College to assist in the launch and monitoring of a new book aimed at Year 14 students embarking on their new and independent lives. This book gives tips on how to budget for food, buy and store provisions and how to make simple and nutritious meals. The Agency presented the book to 20 Year 14 students at the end of term and they intend to return later on in the year to gain feedback.

The Canterbury Tales

Paul Houghton, Year 13 Price's, has secured the role of the narrator in the forthcoming production of The Canterbury Tales to play at The Waterfront Hall in February of next year. The selection process was formidable and Paul is fortunate to be involved in what is set to be the largest youth production, to date, staged in Northern Ireland.

Latin

The Modern Languages Department have started a Latin Club that meets every Friday at lunchtime. The lessons are attended by enthusiastic and aspiring linguists across years 11-14.

Archery

Campbell College competed in its first archery competition on Monday 24 November and won! The College competed against Lisnagarvey High School; Lisnagarvey had all sighted archers and CCB had only one archer with sights, the rest of our team shot Barebow which is much more difficult. Each boy shot 36 arrows; the final score was CCB 833, Lisnagarvey 491.

Peter Cummings, Year 13 Chase's, captained the team and shoots on the Northern Ireland Junior Squad and his experience proved invaluable. The team: Peter Cummings, Patrick Huston, Year 9 Alden's, Scott Hamilton, Year 9 Price's, Calum Bodels, Year 9 Allison's, Conor Hall Year 9 Davis's, and Carl Elliott, Year 11 Allison's.

Badminton

Congratulations to Jason Elmore, Year 10 Allison's, on his recent selection for the Under 15 Northern Ireland Badminton Squad.

CCF

Air Cadet Pilot Scheme

Alan Stewart, Year 14 Dobbin's, has qualified as an Air Cadet Pilot. Alan completed 3 individual solo flights totalling 90 minutes of flying.

Gliding Scholarship Certificate

Ian Harte, Year 13 Price's, successfully completed an Air Cadets Gliding Scholarship and is authorised to wear the Blue Wings.

Shooting Presentation: The Tri Service Cadet Rifle Competition

On Friday 19 September, the CCB A and B Shooting Teams travelled to Ballykinler to take part in the Tri Service Cadet Rifle Competition. The majority of last year's A team have left the College, so it was an opportunity for the younger members of the squad to step up and maintain the rich tradition that this school has earned in this discipline. The next generation of Campbellians did not disappoint and they returned to Campbell with a notable haul of trophies.

The A team: WO2 David Budden (Capt.), Sgts. Grant Buchanan, Jeff Getty and Timothy Ferris won the Earl Roberts, the Falling Plates and the Champion Unit.

The B team: C/Sgt. Patrick Hunter (Capt.), Sgt Ian Harte, Cpls Connor Lucas and Jamie Neill came second in the Cadet Snap Shooting Competition, narrowly missing on first place by two points.

In addition, there were some very strong personal performances:

- David Budden won Best Shot of the Day and Jeff Getty came in second place.
- Connor Lucas was runner-up in the Marling.
- Jeff Getty was runner-up on the Overall Champion at Arms for Northern Ireland.

Outstanding Service

Alan Stewart, Year 14 Dobbin's, has been awarded the highest certificate of merit presented to a Cadet. This commendable achievement is in recognition and appreciation of Outstanding Service to the Royal Air Force Sections of the CCF.

Royal Navy Sevens Tournament

On Sunday 12 October 2008 the Royal Navy Section of the CCF travelled to HMS Sultan near Portsmouth to participate in the UK CCF Rugby Sevens Championship. Teams from distinguished schools like London Oratory, Gresham and Seaford College were represented in a very competitive day of rugby.

The Campbell team gave a fine account of themselves and, eventually, emerged as champions defeating the holders Arnold's School, 15-7, in the final. The victory was made even more notable as other schools selected players from their entire CCF, whereas Campbell players were chosen solely from the Navy Section.

Climbing

NI Youth Climbing Team

Jacob Haddock, Year 13 Dobbin's, is making fantastic progress in the NI Youth Climbing Team; on 15 November he won the Resin Junior Bouldering Competition at Rochdale. This is a splendid achievement as he was competing with some of Britain's best young climbers in the 14-16 age category. During his mid-term break, Jacob received a week's coaching in Spain and once again his performance was excellent. Jacob is currently training to participate in trials for the British Climbing Team. The NI Youth Climbing Team comments that, "Jacob's commitment, enthusiasm and wonderful team spirit are inspiring to other team members. He continues to bring great credit to your school".

Drama

Sounds of Shakespeare Workshop

On Monday 6 October local theatre company c21 came to educate and entertain CCB's GCSE drama students in their Sounds of Shakespeare Workshop. The focus of the Company was on the language of Shakespeare, the rhythm, the iambic pentameter and the drama of lines when brought to life in performance. The actors from c21 performed scenes from *Romeo and Juliet*, *Macbeth*, *The Tempest* and *Othello*. The year 11 and 12 boys appreciated the opportunity to gain insight into how to deliver the language of Shakespeare effectively and gained a greater understanding of the meaning that lies underneath the discourse. Several boys volunteered to take part in the practical aspects of the workshop – Tom Phillips and Ross Taylor (year 12) brought to life the opening Prologue of *Romeo & Juliet* through the use of mime.

Antigone Trip

On Friday 24 October nearly 40 students attended a special student performance of a new version of Greek classic *Antigone* (Sophocles) written by local playwright Owen McCafferty and presented by local company Prime Cut. It was a compelling experience for our GCSE and A Level drama students to witness a timeless Greek masterpiece translated into the 21st Century and placed in a local context. This production, part of the Belfast Festival at Queen's, provided our A Level Drama students with the opportunity to write their evaluative coursework on a live play they have attended, focusing on various aspects such as set, staging, costume and lighting. Our GCSE students relished the opportunity to see live theatre and gained insight into the various aspects of performance, direction and technical effects. An experience beyond measure.

Not About Heroes

It was a great pleasure to welcome Dennis Silk to the College on 10 November. Born in California, educated at Christ's Hospital & Sidney Sussex, Cambridge, Warden of Radley College for 26 years, first-class cricket for Somerset & represented the MCC.

Dennis Silk came to the College to talk about his friendship with the cricket-loving poet Siegfried Sassoon in the 1950s and, of course, to provide some insight into the War Poets. Our Sixth Form students responded well to his avuncular presence and his intimate knowledge of Sassoon's poetry.

The play, *Not About Heroes*, explores the friendship of Wilfred Owen and Siegfried Sassoon through a series of flashbacks. The two actors are required to hold the stage for two hours with minimal use of props: a powerful effect is achieved by the beauty of Owen's and Sassoon's words juxtaposing with the horror and the pity of war.

House Drama

The Annual House Drama Competition took place on Friday 14 November. All eight houses participated with palpable enthusiasm. The event was well supported with a full house. £360 was raised for charity to be shared between Jengana and Children in Need.

A sincere thank you to Ms McConnellogue and Mr McConkey our judges for the evening; Mr Philip Mitchell and Mrs Amy Mills for their support; Mrs. Liz McIlvenny for her expertise and judgment; Mr Wayne Harper for overseeing the housekeeping arrangements; Housemasters and tutors for their efforts and time; and all boys who participated in the competition.

Best Actor: David McCracken 14 Davis's

Commendations:

Andrew Bleakley 14 and Ross Taylor 11 Alden's *Its Nuts*

Best Theatrical Moment: Allison's *We'll Name It Later* written and directed by Paul Jeffrey and Hugh Good

Commendations: Alden's *It's Nuts* directed by Andrew Bleakley and Ross Taylor

Fencing

Congratulations to James Wilkinson, Year 12 Alden's, and Callum Bodels, Year 9 Allison's, for an excellent performance at the recent heats of the NI Junior Fencing Series held at CCB on 25 October. James was awarded a Silver medal for 2nd place in the U18 competition, while Callum was awarded a Bronze medal for third place in the U13 competition.

Congratulations are due to the following boys who all qualified to represent Northern Ireland in the British Youth Fencing Championships to be held at Defence College of Aeronautical Engineering, Cosford, Wolverhampton in January 2009.

Golf

Ulster Junior Golf Championships

The Junior Golf Team played in the Ulster Junior Championship at Killymoon Golf Club, Magherafelt at the end of last academic year and finished runners up.

Furthermore, James Rodgers finished *best overall Junior Golfer in Ulster* and received a Shield to commend this achievement.

Golf in Las Vegas

Mrs. Karen Sheppard departed on 13th December 2008 with our golf team to participate in a rarefied golf event in Las Vegas. CCB won this invitation to compete by virtue of finishing 2nd in the UK Independent School rankings last year.

This is another wonderful opportunity for our boys and, indeed, staff. Mrs. Sheppard has been sharpening her short game, recently, at Knock GC in advance of the event and, apparently, putting in some sustained practice on the one-arm bandits in the club house.

Hockey

Representative

James Cox, Year 11 Yates's, has been selected to the Ulster U16 Hockey Squad.

Kite Surfing

Irish Kite Surfing Champion

Stefan Vance, Year 8 Davis's, recently won the IKSA (Irish Kite Surfing Association) Amateur men's 2008 tour. Stefan is the youngest ever winner of this competition. Furthermore, Stefan also competed in the Spanish kite surfing championships 2008 at Santa Pola, Spain and gained 2nd place in the freestyle.

Kitesurfing is a unique sport, relatively new to Ireland, it is a combination of several sport skills, including kitesurfing, surfing and wakeboarding.

Mountain Biking

Ulster Mountain Bike Championship

Robbie Lamont, Year 11 Davis's, and Chris Oakley, Year 9 Dobbin's, were second and third places respectively at the Ulster Mountain Bike Championships held in September near Ballynahinch. Both boys ride in the under 14 category for XMTB Mountain Bike Club.

For Robbie this was a superb result in only his second race of the year, he has just returned from a year out of the sport.

Chris experienced a great first season in the under 14's, notable highlights over the summer included third place in the All Ireland Mountain Bike Championships, held in the Wicklow Mountains in July, and fifth in the Irish Road Race Championships in Cork.

Music

Organ Playing and Choir Training

Congratulations to Stephen Dougherty, Year 14 Price's, who completed a three year programme of tuition arranged by The Down and Dromore & Connor Organ Scholarship Management Board and Stephen attained a Distinction in his 3rd year of assessment.

Remembrance Service & Dedication to the Memorial

Lord Tennyson it was who said: *I am part of all that I have met.*

The family and close friends of those lost in conflicts and remembered in the memorial unveiled during our service on Tuesday recalled this line. Their sons were a part of this community and returning to all that they had been a part of, and returning to some of the people whom they had met, was a moving and positive experience.

The Remembrance Service was a fitting tribute to all those who had fallen and the Headmaster thanked everyone who played a part in the proceedings. Andrew Millen on the Pipes and Josh Mackey as Bugler were magnificent. The Marketing Manager worked tirelessly on the fine detail and Gordon Hamilton, Governor, acted splendidly as the link between the school and the OC Society.

Rugby

Irish Schools' Squad

Congratulations to James McKinney, Year 14 Price's, on his recent selection to an Ireland Schools' Squad. James is invited to a training session at the beginning of December to be held at Blackrock College Dublin.

XV v Rugby School

A boy of the name of Ellis – William Webb Ellis – a town boy and a foundationer, who at the age of nine entered the School after the mid-summer holidays in 1815, who in the second half-year of 1823, was, I believe, a praeposter, whilst playing Bigside at football in that half-year, caught the ball in his arms.

Thus was the game of rugby football was distinguished from the Association Rules and the world has been a brighter place for the actions of young Webb Ellis. On 12th December 2008 the 1st XV squad caught the early 6.20am flight to Birmingham on their way to the field on Bigside at Rugby School. This is an annual invitation fixture as Rugby School host a match against a guest side to celebrate the day that a young boy had the wit to pick up a ball and run with it. The occasion is a wonderful opportunity for Campbellians and it will, undoubtedly live long in the memory.

Shooting

Olympic Skeet Cap for Northern Ireland

Grant Buchanan, Year 13 Yates's, received his first Olympic Skeet Cap for Northern Ireland. In addition, he holds previous caps for small bore rifle shooting and he has qualified for the Mini-Commonwealth Games in Gibraltar later this year.

Show Jumping

Inter Schools' Show Jumping Championship

Harold Megahey, Year 10 Price's, David Gibson, Year 10 Chase's, and Jon Glover, Year 8 Allison's, competed in the Inter Schools' Show Jumping Championship at Balmoral on Saturday 20 September. They finished 6th out of 38 other schools. This was the first time Campbell have jumped together as a team and the result augurs well for the future.

Squash

Ben Craig, Year 13 Price's, and Michael Craig, Year 9 Price's, travelled to Belgium, recently, to compete in the Belgian Open. This tournament is on a par with the British Open as it attracts the top European players. Both boys were in competition with 63 other players.

Ben played six matches, losing only two, and is currently ranked 25th in Europe.

Michael was unfortunate to lose out to the eventual winner and was placed 5th overall in the Tournament. Michael is, currently, ranked 4th in Europe: this ranking depends on the number of tournaments played and, in fact, Michael has regularly beaten the European No. 3 here in Interprovincial competitions. The College has high hopes for the brothers.

Surfing

Jamie Russell, Year 11 Chase's, was placed 13th at the European Junior Surfing Championship held in Morocco in December. Jamie came close to making the final 8 in extremely windy conditions.

Tennis

Ross Campbell, Year 10 Alden's, had a successful summer of tennis winning the David Lloyds contest, the CIYMC under 16 games, the U14 Ulster Championships at the Belfast Boat Club, the U16 East Antrim Championships and the Fitzwilliam Irish Open U14 boys' doubles.

In addition to this success, Ross won all his matches with the Ulster Interprovincials and, for the first time in ten years, Ulster won the competition. He was triumphant in the U16 Ulster Junior Masters' and selected to represent Ireland at the European Junior Championships that were contested in the Czech Republic in July

Volleyball

Northern Ireland Volleyball Team

Congratulations to Geoffrey Crooks, Year 12 Yates's, on his selection to the Northern Ireland U17 Volleyball team during the summer. Geoffrey also enjoyed a successful trip to the UK School Games in Bath.
