Dear KS3 parent

**‘How do I improve my son’s literacy?’ – Thursday 26<sup>th</sup> January 2012 7.30pm**

At Campbell College, we believe that good literacy underpins academic achievement and sets down a strong foundation for success in later life.

Parents often express concerns about their son’s literacy. Literacy issues tend to manifest themselves in a number of ways, such as a reluctance to read, spelling difficulties, an inability to write at length, a lack of confidence in talking and listening activities, a limited vocabulary and many more.

In order to address some of these concerns, and to support parents in their important work developing literacy at home, you are invited to attend a meeting for Key Stage 3 parents where a number of support strategies will be presented and discussed. The event will be held in the Library at Campbell College on **Thursday 26<sup>th</sup> January at 7:30 pm.**

We hope that you will welcome this opportunity to learn more about literacy development and hopefully pick up some practical approaches to use at home. If you wish to attend, we would be grateful if you would return the reply slip below to Front of House by Tuesday 24<sup>th</sup> January or send an e-mail response to [lcrawford842@c2kni.net](mailto:lcrawford842@c2kni.net) so that we have an idea of numbers in advance.

If you have any queries, please do not hesitate to contact us.

Yours sincerely,

**Claire Woods**  
Literacy Coordinator

**Will Keown**  
Vice Principal (Curriculum)
